

Trame joue la carte de la fraîcheur, pour un décor léger et printanier, tel un sorbet rafraîchissant. Par des jeux de motifs et de palettes de couleurs, la nouvelle collection de revêtements muraux & de papiers peints VAL signée Manganèse Éditions, twiste des grands classiques, des tartans écossais aux cahiers d'écoliers. La collection est issue de la collaboration entre le bureau de style Manganèse Éditions au sein de l'agence de design Saguez & Partners qui assure la direction artistique et Muraspec pour la fabrication et la distribution.
